

DESIGNING DESIGN BY KENYA HARA

[designing design kenya hara 9783037784501 amazon books](#)

This is an extraordinarily beautiful book in which scores of works by graphic designers are presented, commended upon and sometimes explained by famed Japanese graphic designer Kenya Hara.

[amazon white 8601405697691 kenya hara books](#)

This is just one of the best design books ever... it talks about a design philosophy that kenya hara has and use for his work, you really must get it! you won't regret it! i have many books of design but none talks about the most important and basic knowledge in design, about the color white, as design element not as a color is pretty interesting.
